Over the past 55 years Bonanza Day has become a tradition for many AGC members and their families. And when I think back, it’s scary that I’ve witnessed 49 of those events and watched this event grow a hand full of boats to the size it is today! For those of you who are not familiar with Bonanza Day’s earliest beginnings, a little history:

Back in 1968, the first AGC Fishing Rodeo was established at Dauphin Island by Joe Baker, Sr. Executive Director for AGC along with several AGC members; Jim Boothe, Sr., Jim Boothe Contracting & Supply Co., Inc. Robert Baggett, Sr. — R. J. Baggett, Inc.; Devon Dicks—R. J. Baggett, Inc. Russelle Lacy—D. E. Britt & Assoc.; Joe Martin—Martin Builders; Walter Ernest, III—Ernest Construction Co.; Charlie Jordan—Jordan Masonry; Tom Ollinger — Tom P. Ollinger Construction, and Dave Rich, among others. You may not remember who these guys were but they were the leaders of your association and the reason for Bonanza Day.

That very first event was such a success and so many fish were caught that the fishermen referred to their success as a Fishing “Bonanza” - hence “Bonanza Day”! As the event grew, the rodeo was moved to Orange Beach where it was hosted at the Gulf Gate Lodge, a local eating and drinking establishment with rooms upstairs and cottages for rent and a fishing dock. The Gulf Gate became a “hot” destination during the mid seventies which attracted a huge Sunday crowd to listen to bands like “Joanie and Clark & the Quarter Moon Band”. During this time frame, Joe Baker retired from AGC and Jack Terry was named AGC’s Executive Director. Jack put a whole new spin on Bonanza Day with a whole new generation of AGC members, and many new wild and crazy Bonanza Day tales were spun. 37 years ago the Golf Tournament portion of Bonanza Day began when Ken Huggins and Ray Kennedy decided fishing required them to get up a little too early following a long night of toooo much fun. Hence the Kennedy-Huggins Classic Golf Tournament began with just 2 golfers — these days we have 2 courses full of golfers as we celebrate 38 years of golfing being added to the Bonanza Day festivities and is considered the largest golf tournament at Craft Farms!

There are so many who have contributed to the history of Bonanza Day throughout the years - each having their own Bonanza Day stories. The Old Timers: Lyon Crowe, Dave Rich, Walter Verneuille—(Wide Load), Mit Kopf, The entire Boothe Family, Ritchie Russell, Henry Seawell, Roger Dixon, Johnny Walton, Mike Tew, Calvin Weaver, David Jones, Chuck Dicks, Todd Sharpe, Jim Riis—ask Jim about the Zipper Award - Robbie Guesnard, Steve Bradshaw, Morris King, Russell Simmons, R. J. & Amanda Gonzales, Ricky Saliba, Corey Brantley, Kim Chastang, Leslie Gaut, James Pomes, Bubba Campbell, The Thorntons, and the list goes on………Just ask any of these members and their stories may delight you. Bonanza Day has spawned weddings

We still miss these guys who will forever be a part of Bonanza Day’s Legacy: Mike Boothe, Gary Bailey, Robert Gorham, Pete Pearce, Scott Beech, Mike Kopf, Devon Dicks, and Don Jordan

For those of you who have participated for decades and those who are new to Bonanza Day—Thank you for participating in our 56th Annual Event. I hope you spin tales of your own to pass down to the next generation. But don’t forget… “The Secret Committee is Always Watching” IYKYK

As I contemplate my retirement at the end of this year, I realize this will be my last Bonanza Day as Manager of Mobile Section, AGC and coordinator of this event. I have been so blessed to have been a part of this association which allowed me to meet many lifelong friends which I refer to as my AGC Family. This event in particular will always be special, one that I have enjoyed and labored over for so many years watching it grow and change. Bonanza Day would never have been successful without the help of our dedicated Bonanza Day Committee, my staff for 16 years Carol Harris and Katherine Vickers, and of course the guidance of my husband Mit. It has been truly a group effort. I am proud to witness the changes over the years which have made this event one of the largest statewide for AlabamaAGC.

I look forward to seeing you at Bonanza Day 56!

Charlotte Kopf

Sadly since last year we lost three of our longtime Bonanza Day participants:

Gary Bailey with Lanico who had participated for 50 years.

Don Jordan with Jordan Pile Driving who had participated for 20+ years.

Thomas Clough—Meagan Dixon Clough’s husband who had participated the last 15 years.

These guys loved Bonanza Day and will be missed by all who knew them.
