Your health insurance needs are unique. Flexible insurance options can help make sure your health insurance solution is unique, too.

You may have selected the best health insurance plan available to you and still have concerns about health issues or costs that your plan doesn't cover. Or maybe you're still looking for other supplemental health plans to add coverage that fits your lifestyle and budget. Either way, we have provided options so that you can select supplemental insurance plans that help build the right coverage for you.

With the Benefits for Everyone app, you can manage you benefits from any device and have access to useful tools!

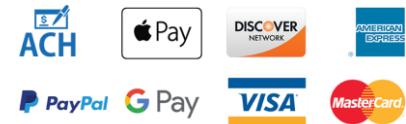

Mobile App Features:

- Access & print extra copies of your claims information card
- Access supplemental medical & Rx claims/ Explanation of Benefits
- Access Rx Savings

Please note: The Benefits for Everyone App is not currently available for any Federal Insurance Company products.
